

Student Acknowledgements

This document is intended to ensure that every student entering the program has all the information necessary for success. This is a major commitment and we want to ensure that you are fully prepared to meet the challenges of our program. Please read this document carefully before signing your name.

1. I understand that this program will require maximum effort to be successful. I commit to meeting the academic and attendance standards required to graduate on time. This includes fully participating in class and working out of class when required.
2. I understand that:
 - a. The Full-time program will require a minimum of 70 hours, sometimes more, per week to be successful
 - b. The Part-time program will require a minimum of 25 hours, sometimes more, per week to be successful
3. I understand that proof of education is required to complete my registration as a student with Coding Dojo, such as a high school or college diploma, GED, or its equivalent.
 - a. If I am unable to provide this documentation, I may request to take the federally accepted Wonderlic assessment to satisfy this requirement. Should I fail this assessment, I must provide standard documentation as noted above.
 - b. In the event that I am unable to provide this documentation, a passing Wonderlic assessment, or other approved proof of education and English proficiency by 5:00pm PT on the Thursday prior to the start date, I will be required to postpone or withdraw my enrollment.
4. I understand that financing, paid by myself and/or through a third party, must be finalized to complete my registration as a student.
 - a. In the event that my financing is not finalized by 5:00pm PT on the Thursday prior to the start date, I will be required to postpone or withdraw my enrollment.
5. I understand that I am responsible for ensuring that I have access to the following technology requirements:
 - a. Computer - **not a tablet** - with following specifications
 - i. 8GB or more of memory
 - ii. Either Mac or Windows Operating System no more than 1 year old and **not in beta**.
 1. Note: if your operating system does not meet the requirements above, we will not be able to help troubleshoot any technical issues you may encounter
 - iii. x64 Processor (at minimum)
 - iv. Privacy settings: allow you to install software and access the internet
 - v. The following software must be installed on the computer prior to start
 1. Zoom
 2. A modern web browser, such as Firefox or Chrome
 3. Visual Studios Code

- b. Headset and microphone
 - c. Stable Internet: Minimum upload speeds of 10mbps and download speeds of 5mbps. (To check your speed, connect the computer you will be using to the internet you will be using either wirelessly or directly. Go to <https://www.speakeasy.net/speedtest/> Select Start Test. If your internet does not meet the above, contact your internet provider).
- 6. I understand that the Coding Dojo program is meant to teach self sufficiency and problem-solving, and that I will not be given my answers to my assignments. Instead, I will participate in Code Reviews, group discussions, and the Learn materials to help troubleshoot when I need assistance.
 - 7. I understand that the learning style at Coding Dojo is a mix of live lectures, teammate collaboration, reading of materials, and problem solving.
 - 8. I understand that the best way to learn is to do and practice a lot. Thus, I understand that there will be many assignments that I will not get direct feedback on due to the sheer volume of coding assignments involved in this program.
 - 9. I understand that I must attend and participate in classes/breakout sessions, be mindfully present, communicate with staff, and complete my projects to be successful.
 - 10. I understand that by opting-in to career services, I am agreeing to participate in the curriculum including workshops, events, and assignments.
 - 11. I understand that career services provide resources to help with my job search; however, this does not guarantee employment. It is my responsibility to seek, interview for, and qualify for a prospective job.
 - 12. I understand that I will not have a dedicated Teaching Assistance (TA) assigned for one-on-one instruction.
 - 13. I understand that I must achieve an 80% attendance rate to graduate from the program.
 - 14. I understand that I must achieve a 90% core assignment completion rate per stack to graduate from the program.
 - 15. I understand that any academic dishonesty; including plagiarism, cheating, or falsification is grounds for immediate dismissal from the program.

Veteran Students

- 16. I understand that if I am a Veteran, my housing allowance is dependent on the campus location that I am assigned.
- 17. I understand that if I am a Veteran, my VA Education Benefits are contingent upon meeting all academic, performance, conduct, and attendance standards associated with my program.
- 18. I understand that if I receive VA funding, I am responsible to manage my own benefits. This includes timely communication with my Veteran Advisors and the VA when required.
